What is Healthwatch East Sussex?

Healthwatch East Sussex is the independent consumer champion for health & social care services in the local area.

We do 4 things:

Have your say Ask people what they think about services to see what works well and what needs improving

Influence Influence the planning and delivery of NHS and social care services based on what local people tell us.

Provide information Provide information to the public about local health and social care services.

Sign posting Provide information and sign posting for people wanting to make an NHS complaint.

How we make a difference

- Hold services to account for the care they provide
- Talking to and listening to people from every part of the community
- Being part of the community

Get involved

Eyes and ears

We want to know what you think of the care you and your family receive.

Volunteer

Volunteers are really important to us. Could you give some of your time to:

- Gather views from local people
- Visit services
- Look at plans for services
